Source and scope

Cotaus Products Catalog, printed page 27 (PDF spread 18). SMG reviewed the source catalog on November 11, 2026.

Catalog packing describes supplier packaging and may differ from the SMG selling unit. Use the current product page and written quote for SMG case quantities, pricing and fulfillment.

Before ordering

Confirm the exact SKU, required grade, dimensions and equipment fit for your workflow. Nominal capacity does not establish an assay working volume. Obtain the applicable lot documentation before relying on sterility or purity claims.

This SMG summary is not a manufacturer IFU, certificate of analysis, SDS, lot-release certificate or independent performance validation.
